

A young boy with light brown hair and eyes is smiling slightly, looking directly at the camera. He is wearing a dark olive green hooded winter jacket with a dark navy blue horizontal stripe across the chest and light pink cuffs. The jacket has a visible zipper and a small 'PinBina' tag on the zipper pull. On the left chest, there is a logo consisting of horizontal lines above the words 'PIN BINA'. The background is a blurred, snowy mountain landscape under a blue sky with soft white clouds. Two large, semi-transparent light blue circles are overlaid on the image, one on the left and one on the right.

PinBina

We dress the future

WINTER COLLECTION 25/26

PinBina, born in Switzerland, is surrounded by nature, mountains, lakes, farms, and cities.

Our head office is also located in Switzerland. Our international team has extensive experience in designing and producing children's clothing. As parents and grandparents ourselves, we understand what active kids want and need. We have been through years of watching our kids run, jump, ski, fall, and get back up again. We would be delighted if you become part of our sustainable children's clothing movement.

Together, we can make a positive change in the sport-fashion industry and create a better future for our children and our planet.

PinBina Innovation

Heat on demand with Pin&Plug

Experience instant warmth at the touch of a button with our heated vest, powered by the **Pin&Plug** system. Choose from three heat settings to customize your comfort, while lightweight heating zones target your entire back for optimal warmth. Designed for flexibility, it can be worn alone or layered under a jacket. Stay warm and move freely on cold days!
